Impact of COVID 19 on postal services

HNSA recognises that postal delays may occur due to the impact of COVID19 restrictions on the Australian and New Zealand postal services. Leeway for late lodgement will be allowed for entries received after the deadline provided the post office time stamp pre-dates 14 June 2021. It is recommended that nominators keep a tracking ID number as proof of postage.

After the close of submissions, HNSA will reconcile Trybooking ticket transactions against the list of titles lodged. If a title has not been received, HNSA will contact the nominator to ascertain when and from where the entry was sent. *Please do not contact HNSA to seek confirmation of receipt of an entry.*

It is highly recommended that nominators submit their entries well in advance of the closing date to avoid issues with postal delays.
